The CarboStruck Pro is the most aggressive of the CarboDrum line!

By the lusty PowerMax heads, only muffled by special felt stripes, these drums feature an unbelievable punchy and loud sound. An increased number of tension screws forgive „robuste“ playing as well as a higher head tension. Lugs from genuine carbon fiber cater for high stability and an extremely low weight. Newly developed mega-light rims are off-set from the shell's bearing edge, making damage to the bearing edge caused by accidental st...

Design features

Mega-light built waterproof bonded hardwood shell with Deep-Space scratch resistand foil and mega-light rims with integrated edge protector on the batter side, heads with integrated „free-floating“ felt segment muffling, sunk-in tension screws (stainless), carbon fiber lugs, 4 carrying loops (stainless), tuning key, Rucksack-style Bag, foldable SwiveLegs
