

Item-#: MB-BUL-

Detailed information can be found at www.lefima.de

This ultra-light superlative combines low weight with raised tuning precision.

Increased stability improves performance while enhancing the playing experience. Count on the drum's robust build which, coupled with the number of tension screws, offers the player accurate and reliable tuning – even at higher tension. The use of alternative materials and a unique lug technology resulted in a new generation of marching drums - so light that Lefima were honoured in the Guinness book of the Records!

Design features

Ultra-light built waterproof bonded plywood shell and rims, in claws sunk-in tension screws, 2 ring mufflers, 4 stainless steel carrying loops, tuning key, tuning key
