

Item-#: Historisch-LT

Detailed information can be found at www.lefima.de

Drums are one of the first instruments of mankind.

From ancient times, they work with a rope that holds the head in place and with that the pitch is changed. Our Historic Field Drums correspond to the traditional model. They are played without snare wires or gut snares.

Design features

waterproof bonded plywood shell, rims made from torsion resistant hard wood, rope, genuine leather tensioners, 2 ring mufflers, 2 carrying rings
