Detailed information can be found at www.lefima.de

The Top-Of-The-Line Snare Drum for the highest demand in sound and manufacturing quality - with a maximum of equipment details.

The snare drums of the "Professional" series are characterized by an extremely robust construction. The shapely lugs, made of sturdy cast material, are hand polished and gloss chromed. The shell is optionally available with a brushed surface or a durable chrome finish. Useful design details such as the snap-on carrying bar made of hand-polished stainless steel or the extra-padded flexi leg rest complete the picture. For an extremely equal h...
